**STUDYING
ABROAD!**

A black and white photograph capturing a celebratory moment at a graduation ceremony. In the foreground, the backs of several graduates in dark academic regalia are visible. Their arms are raised high in the air, with some hands clenched in fists, suggesting a collective cheer or shout. The background is a soft-focus view of a large crowd of people, also in graduation attire, filling an outdoor space with trees in the distance. The overall mood is one of triumph and shared achievement.

WHY EDRES ?

1. EXPERIENCE

EDRES has got all of experience throughout helping more than 3,300 students study abroad in more than 11 countries; UK, Holland, Germany, Spain, USA, Canada, Switzerland, Cyprus, Italy, Malaysia and Dubai.

2. ACCOMMODATION BOOKING

Once you decide your destination & desired university, EDRES will book your accommodation & make sure there's no further issue in where you stay.

3. TIME

EDRES happily counsel students, find the best university that meets their qualifications, budget, grades & the best location for them.

4. ORIENTATION

EDRES provides a pre-departure orientation informing students who are ready to travel, confirming the airport pickup & arrival at their campuses or dorms.

5. FLEXIBILITY

EDRES has the flexibility regarding application deadlines & can get you an offer acceptance after its deadline.

6. ONLINE VLOGS & PODCASTS

Online Vlogs/Podcasts [EDRES Plus+] uploaded weakly on our social media pages to create detailed awareness to our online audience.

7. PROMISE

EDRES fulfills its promise by finding the suitable options available for each student applying through us.

8. CREDIBILITY

Since our establishment, EDRES have had a 100% Visa Acceptance rate. As we always assist & make sure that our students have all the right documents before their appointment.

9. NEVER EASIER

Every university has certain specific requirements. We at EDRES make sure the students meet those requirements.

10. FOLLOW UP

EDRES is always keen to follow up with students after they arrive safely to their destination and provide support with anything they might need.

11. AT YOUR DOOR

EDRES hosts 3 International Universities fairs per year. Alongside, monthly study abroad seminars in which you & your parents will have the opportunity to meet official representatives of EDRES partner universities. In addition, visiting reputable schools & sponsoring student activities to increase the studying abroad awareness for students as they study & attend their classes.

EDRES IS A CERTIFIED & ACCREDITED
REPRESENTATIVE THAT COVERS A WIDE RANGE
OF STUDYING DESTINATIONS WORLDWIDE.
ALTHOUGH, EACH COUNTRY DIFFERS IN
BUDGET, UNIVERSITY ENTRY REQUIREMENTS,
FACULTIES & STUDY DURATION.
YET EDRES HANDLES ALL THE PROCESS
& THE PROCEDURES FROM A TO Z.

WHAT OUR PARTNERS SAY ABOUT US

'I have been working with EDRES for a number of years and they have helped many students achieve their dreams of studying abroad. It is always a pleasure working with EDRES, they ensure that students are happy and confident when choosing their University.'

JAMES GRIFFITH

REGIONAL DIRECTOR

(Africa, Middle East & India) - Mander Portman Woodward.

" It is a great pleasure working with EDRES as a key partner in Egypt. The experienced team have helped to place students on a range of different programs at different academic levels across multiple MPW locations. We understand that choosing to send your child overseas for high school is a very big decision and investment, but the EDRES team will help you at every stage of the process from choosing the right course to completing the visa procedures. We are looking forward to visiting the EDRES offices in 2022 and participating in the upcoming fairs. "

Mark Owens

DEPUTY DIRECTOR
UNIVERSITY OF PORTSMOUTH, UK

Within the last 4 years of Navitas's presence in MENA, we have noticed significant growth in the number of students arriving to our universities from Egypt. EDRES team has been one of our very first partners in the region, who helped to discover all the main features, strengths and weakness of the market. I am very lucky to build strong professional and personal relationships with EDRES, leading Egyptian students to the very successful future in the Canada.

"I have been working with EDRES for several years with a previous institution, including attending their events in Cairo. Their staff is knowledgeable, professional and attentive. Their services for students are great and their presence on social media is also impressive. I look forward to continuing our relationship and working closely with them on what is a growing market over the next few years."

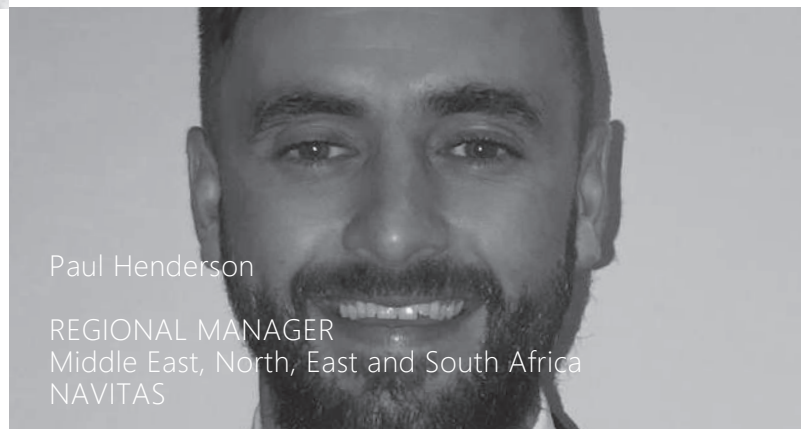

Ekaterina Ivanova
NAVITAS | RECRUITMENT MANAGER, MENA

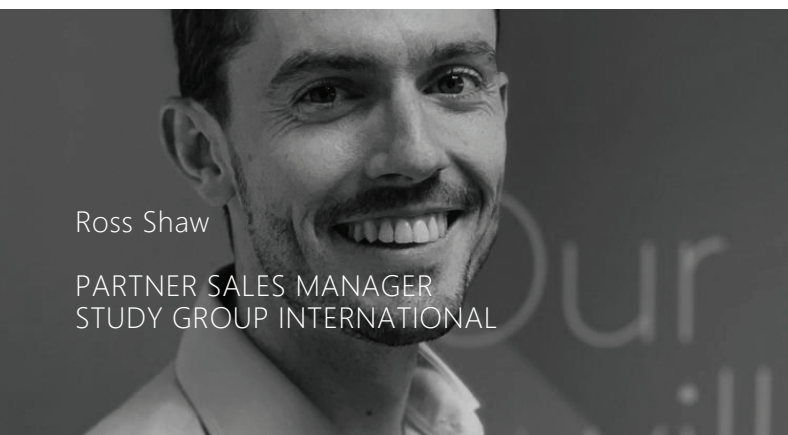

Tamer Elias
Regional Manager
Oxford International Education Group

"Edres have been a great partner for Navitas for many years now, helping to send students across the world to our different destinations. They always maintain professional standards, along with being a very enjoyable and friendly partner to work with."

"I am writing this message to recommend the services of EDRES Study abroad Egypt, their team knowledge and attention to detail have aided in keeping my job easier. They are not only thorough but also easy to work with and always willing to take the time to discuss any concerns & respond to questions. I feel confident in recommending EDRES's services to our students."

STUDY IN THE **UNITED KINGDOM**

WHY STUDY IN THE UK?

In 2015 the UK was voted as the number 1 study destination for international students worldwide.

HIGH ACADEMIC STANDARDS

4 of the world top 6 universities are in the UK.

VALUE FOR MONEY

Courses in the UK tend to be shorter than in any other country. As a Bachelor Degree is only 3 years including Engineering (if eligible) while Master Degree is only 1 year including the MBA. Therefore, students get to save a year of their educational career.

WORK PLACEMENT YEAR

Most universities in the UK offer students a year within their Bachelor Degree to work for a full year at any of the universities' partner companies in a related field to the student's study. Where they get salaries up to GBP 20,000 a year. Which students can use to study a Master Degree after their bachelor, if they wish or pay the tuition fees of their final Bachelor year.

Study in the continent of the future.

An aerial photograph of the Petronas Twin Towers in Kuala Lumpur, Malaysia, during the golden hour of sunset. The two towers are the central focus, their spires reaching towards a clear, warm-toned sky. A skybridge connects the two towers at a mid-level. Below the towers, a large, modern commercial building with a flat roof is visible. The foreground is dominated by a lush green park with many trees and a winding path. In the background, other skyscrapers of the city skyline are visible, including a prominent cylindrical tower. The overall atmosphere is serene and majestic.

Studying pharmacy
UNIVERSITY OF BRIGHTON

My name is Farida Ehab, I am currently studying my Bachelor degree in Pharmacy at the University of Brighton, UK.

I recommend EDRES to anyone from Egypt or even the MENA Region who wishes to study abroad; as EDRES is one of the best study abroad agencies in Egypt. The staff there is excellent and very helpful
